INTELLIGENCE ADVISORY COMMITTEE

13 January 1958

MEMORANDUM FOR THE INTELLIGENCE ADVISORY COMMITTEE

SUBJECT: Report of Discussions Relative to Recommendation No. 2
of the President's Board of Consultants on Foreign
Intelligence Activities dated 24 October 1957

1. We understand that the matter discussed in the attached memorandum has been placed on the agenda of the USCIB meeting now scheduled for 22 January. Moreover, we have been informed that the AEC and the Joint Staff members of the IAC (the only IAC agencies not also represented on USCIB) have been invited to attend this meeting of USCIB so that all of the members of both USCIB and the IAC will be present when this question is considered.

2. Copies of the attached memorandum have already been circulated by the USCIB Secretariat through their regular channels to USCIB members and copies have also been forwarded to the AEC and the Joint Staff. However, we understand that USCIB and IAC materials normally are handled by different staffs within certain agencies. Consequently, for purposes of administrative convenience we are forwarding a limited number of additional copies of this memorandum through IAC channels.
